ASTON LAW

Aston Law is a separate Group within Aston Business School and has its own distinctive identity. The Aston lawyers are a small and friendly group who are mutually supportive and positive in their outlook. The group includes early career researchers as well as more experienced academic lawyers. All are committed to the further development of Aston Law. It is an exciting time to be joining this team and contributing to its future.

As part of a leading-edge European Business School, we expect our staff to be research active and to reflect their research in their teaching. Members of the Aston Law team contribute to teaching of LLB, LLM programmes and law modules on a range of BSc, MSc and MBA programmes within the Business School. The team is also committed to providing the very highest quality student experience and support for career development of Aston Law students.

We welcome applications from those who are able to offer EU Law and consider that they meet the person specification. However, we would particularly welcome applications from European lawyers who are also able to offer ‘commercial law’, broadly defined, and particularly International Sales Law or Competition Law. The successful applicant will be expected to take up their post on 1 September 2011, or as soon as possible thereafter.

For informal discussions concerning this post, please contact Professor Jill Poole, Tel: 0121 204 3223, email: j.poole@aston.ac.uk
