## Job description

To lead, develop and enhance on aspects of the research, teaching and scholarly activities of the school, with a focus on the practice of pharmacy in near-patient settings. In addition, to develop links with our external partners across all sectors of pharmacy and healthcare to advance the clinical capabilities of our students and to support our students in the development of their professional identities. Senior Lecturers will be at least nationally recognised for their expertise.

The postholder will undertake a balance of research, and teaching and learning activities. Whilst ability and effectiveness should be demonstrated in all areas, individuals may be more specifically focussed on research, teaching, and learning or external engagement. This balance will be discussed and agreed with individuals annually in line with operational needs, School, and University strategy and with consideration of the individual's career goals

## Main duties and Responsibilities

- ▶ To lead a personal research programme consistent with the School's research priorities.
- ▶ To have an established research profile, at least at national level, publishing the outcomes of research in good quality national and internationally rated journals.
- ▶ To have proven experience of securing external funding and leading research projects, people and resources, including acting as e.g. Principal Investigator, Project Leader.
- ▶ To supervise and manage research projects, research staff and students.
- ▶ To have a successful record of supervision of postgraduate students at Masters and Doctoral levels and to foster an environment which encourages research among students at postgraduate level.
- ▶ To collaborate in research initiatives with colleagues in and beyond the School as appropriate.
- ▶ To conduct research capable of demonstrating impact e.g. research which has the potential to benefit the economy, society, culture, public policy or services, health, the environment or quality of life.
- ▶ To contribute to the development of and innovation in teaching and assessment within pharmacy, including the promotion of contemporary, evidence-based best practice.
- ▶ To contribute to the proactive evidence-based review and development of the Pharmacy School's curricula and extra-curricular activities.
- ▶ To be responsible for the evaluation, design, and delivery of specific areas of teaching and assessment within the Pharmacy School's undergraduate and postgraduate programmes.
- ▶ To provide support and advice to undergraduate and postgraduate students, including acting as a personal tutor.
- ▶ To undertake academic administration relevant to the needs of the programmes, School, and College.
- ▶ To form strategic contacts with colleagues from across the University, and with the NHS and other relevant professional external organisations at a local and national level, and to take an active role in the academic pharmacy community in order to enhance learning, teaching and research outcomes.
- ▶ To engage in peer review and continuous training and development programmes in the University (e.g. through Staff Development) which are consistent with the needs of the post.
- ▶ To engage in quality management and improvement processes, including peer review and continuous training and development programmes in the University (e.g. through Staff Development), which are consistent with the needs of the post.
- ▶ Ensure and promote the personal health, safety, and wellbeing of staff and students.
- ▶ Promote equality of opportunity, and support diversity and inclusion, as well as working to support the University's environmental sustainability agenda and practices.
- ▶ To work within Aston University regulations, policies, and procedures.
- ▶ Act as a role model for Aston Pharmacy School staff and students.

- ▶ Maintain registration as a pharmacist with the GPhC and adhere to the Standards for Pharmacy Professionals.
- ▶ To undertake such other duties as may be reasonably requested and that are commensurate with the nature and grade of the post.

Although this is a list of the key responsibilities of the post it is expected that the post holder and manager will develop and define the detail of the work to be undertaken. Any changes to the key responsibilities will be the subject of consultation with the post holder.

## Additional information

Visit our website <https://www2.aston.ac.uk/staff-public/hr> for full details of our salary scales and benefits Aston University staff enjoy

**Salary scales:** <https://www2.aston.ac.uk/staff-public/hr/payroll-and-pensions/salary-scales/index>

**Benefits:** [Benefits and Rewards | Aston University](#)

**Working in Birmingham:** <https://www2.aston.ac.uk/birmingham>

**Employment of Ex-Offenders:** Under the Rehabilitation of Offenders Act 1974, a person with a criminal record is not required to disclose any spent convictions unless the positions they applying for is listed an exception under the act.

**Eligibility to work in the UK:** You should ensure that you meet the eligibility requirements, including meeting the [English language standards](#). If you do not meet the eligibility criteria, any application for a work visa would be unsuccessful. Please see UKVI guidance for further information on eligibility, knowledge of English requirements and approved test centres <https://www.gov.uk/tier-2-general>

With the end of free movement for EU/EEA/Swiss nationals from 1 January 2021, the UK's new immigration system applies to all non-UK/Irish nationals who require a visa.

Where an individual is subject to UK immigration control, they will require a visa to work in the UK.

The following individuals do not need a visa for the UK, but do still have to prove their right to work before employment can commence:

- **British Citizens or Irish Nationals**
- **EU/EEA/Swiss nationals with Settled or Pre-settled status under the EU Settlement Scheme**
- **Non-EEA nationals with Indefinite Leave to Remain/Settlement in the UK**

The main routes available for those who need a visa to work in the UK are **Skilled Worker**, **Global Talent** and the **Graduate Route**.

You can find further information about each of these visa routes on our [candidate immigration page](#).

If you will conduct research in your role, you may need to apply for and obtain ATAS clearance before Aston can issue a Certificate of Sponsorship for your visa application. Please see below for further details.

**Academic Technology Approval Scheme (ATAS):** If you will conduct research in your role and you apply for a Skilled Worker or Temporary Worker GAE visa, you may need to apply for and obtain ATAS clearance before Aston can issue a Certificate of Sponsorship for your visa application.

This process can take at least 6 weeks to process, and Aston will consider this when confirming your expected start date. Processing times will increase between April and September and can longer to complete.

There is no fast-track option available. ATAS certificates will be processed in order of receipt.

You can find more information about ATAS on our [candidate immigration page](#).

### **Before you start and Right to Work**

#### **90-day entry vignette**

If you have applied for your visa outside of the UK, you will receive a vignette in your passport which is usually valid for 90 days. Please make sure to travel to the UK within the 'valid from' and 'valid to' dates on this visa. If you entered the UK before or after these dates, you would not 'activate' the visa and you would need to leave and re-enter the country.

You will also receive a decision letter confirming details about your immigration permission and where to collect your Biometric Residence Permit.

#### **Cost of Living - Estate and Letting Agents**

There are numerous Estate and Letting Agents in and around Birmingham that can help you find suitable accommodation. The [Midland Landlord Accreditation Scheme](#) provides a list of professional agencies and landlords who have applied with them for accreditation. Whilst accreditation is not a guarantee of quality, it provides some reassurance about the standard of the service they provide.

You can also use property search websites such as [Rightmove](#) or [Zoopla](#).

**Equal Opportunities:** Aston University promotes equality and diversity in all aspects of its work. We aim to ensure, through our admissions policies for students, and our staff recruitment and selection processes that we encourage applications from all groups represented in the wider community at a local, national and international level.

The University will endeavour not to discriminate unfairly or illegally, directly or indirectly, against student or potential students, staff or potential staff. This commitment applies to all functions of the University and to any stage of an individual's career.

An Equal Opportunities Monitoring Form is included within the application form. Data you provide on the Equal Opportunities Monitoring Form will be included in a general database, for statistical monitoring purposes, enabling the University to monitor the effectiveness of its Policy, Codes of Practice and Guidelines on Equal Opportunities in Employment. Individuals will not be identified by name.

**Data Protection:** Your personal data will be processed in compliance with the Data Protection Act 2018 and the General Data Protection Regulation ((EU) 2016/679) ("GDPR"). The University's Data Protection Policy and Privacy Notices, including the Job Applicant Privacy Notice can be found at <https://www2.aston.ac.uk/data-protection>. Your application will only be used to inform the selection process, unless you are successful, in which case it will form the basis of your personal record with the University which will be stored in manual and/or electronic files. Information in statistical form on present and former employees is given to appropriate outside bodies.

Full details of our terms and conditions of service and associated policies and procedures are available online at <https://www2.aston.ac.uk/staff-public/hr/policies>
