Reference: 1607-25

Grade: 06

Salary: £27,319 to £29588, per annum, depending on experience

Contract Type: Permanent

Basis: Full Time

Job description

Job Purpose:

The Service Desk Analyst is the first point of contact for all Digital Services enquiries, providing prompt and effective first-line support to resolve issues wherever possible. The role ensures accurate logging, categorisation, and prioritisation of requests, and escalates to specialist teams when required. By delivering excellent customer service and maintaining clear communication, the Service Desk Analyst plays a key role in ensuring a positive user experience and the smooth operation of digital services.

Main Duties/Responsibilities

Service Delivery Responsibilities:

- ▶ Assist the team in the planning, provision, and delivery of new and existing services.
- ▶ Providing first point of call, initial troubleshooting and resolution for Digital Services enquiries, aiming to resolve issues at first contact.
- ▶ Log, categorise, and prioritise incidents and service requests accurately in line with agreed processes and SLAs.
- ▶ Where additional expertise is required, escalate issues to second-line or specialist teams, ensuring all relevant information is captured for efficient resolution.
- ▶ Maintaining comprehensive and timely call notes.
- ▶ Provide Technical Support to maintain the full life cycle of hardware and software on managed devices. This includes first line diagnostics for the device, Operating System, application configuration and deployment, consumable replenishment, break/fix support for hardware and software. Devices will include Desktop PCs, Laptops, Tablets, Thin Clients, Printers and Multi-Function Devices and any other future device we provide a managed service for.
- ▶ Best efforts support of unmanaged devices.
- ▶ Understand customer needs and contribute to identifying areas for service improvement.
- ▶ Work collaboratively with other teams both within Digital Services, and the wider University, to ensure delivery of operational goals.
- ▶ Liaise with users, departmental representatives, and 3rd party suppliers.
- ▶ Provide basic user training where required.
- ▶ Highlight and report repeating incidents that may need analysis by senior members of the team.
- ▶ Develop and maintain a thorough knowledge of Customer Services provision and assist in ensuring that a high standard of customer service for the team is maintained.
- ▶ Supporting the development and implementation of systems and processes that facilitate the operational aspects of the Digital Services Helpdesk and IT Support services.
- ▶ Contribute to and utilise knowledge articles to improve first-time resolution rates and support continuous improvement.
- ▶ To promote and adhere to the professional standards set out by 'Our Commitment to You' and the CARES framework to ensure a positive experience for all our beneficiaries.
- ▶ Maintain clear, professional, and proactive communication with users throughout the lifecycle of their enquiry.
- ▶ Maintaining the order and appearance of the Digital Services Helpdesk and surrounding environment to a high standard including tidying, organising, and storing resources, updating displays, etc.

Additional Requirements of the Job:

- ▶ Due to the nature of the work, there will be times when the postholder will be required to work alone.
- ▶ Some lifting and moving of digital equipment such as PC's, laptops and screens will be necessary.
- ▶ Flexible working will be required to ensure that the office is covered from 8am to 6pm on a rota basis, and occasionally the postholder may be required to work out of normal hours or at the weekend or on bank holidays to minimise disruption to the university community or to support key university events. This may include remote cover during university closure periods.
- ▶ Participating in relevant meetings and events as required.
- ▶ Wearing the standard Digital Services uniform (supplied) when on campus is a requirement of the role.

The above list is not an exhaustive list of all duties and responsibilities to be undertaken, and you may be asked to complete other duties that remain within the scope and grade of the role.

Additional responsibilities

- ▶ Engage in continuous personal and professional development in line with the demands of the role, including undertaking relevant training and development activities.
- ▶ Ensure and promote the personal health, safety and wellbeing of staff and students.
- ▶ Carry out duties in a way which promotes fairness in all matters and which engenders trust.
- ▶ Promote equality of opportunity and support diversity and inclusion as well as working to support the University's environmental sustainability agenda and practices.

If you will conduct research in your role, you may need to apply for and obtain ATAS clearance before Aston can issue a Certificate of Sponsorship for your visa application. Please see our candidate immigration [web page](#) for further details.

Before you start and Right to Work

Right to Work Check

All employees must complete a Right to Work check before they commence work at Aston. HR will contact you during the onboarding process to arrange your check.

Cost of Living - Estate and Letting Agents

There are numerous Estate and Letting Agents that can help you find suitable accommodation. Useful websites for support and guidance <https://www.gov.uk/government/publications/how-to-rent/how-to-rent-the-checklist-for-renting-in-england> and <https://www.citizensadvice.org.uk/housing/> You can also use property search websites such as Rightmove or Zoopla.

Equal Opportunities

Aston University promotes equality and diversity in all aspects of its work. We aim to ensure, through our admissions policies for students, and our staff recruitment and selection processes that we encourage applications from all groups represented in the wider community at a local, national and international level.

The University will endeavour not to discriminate unfairly or illegally, directly or indirectly, against student or potential students, staff or potential staff. This commitment applies to all functions of the University and to any stage of an individual's career.

An Equal Opportunities Monitoring Form is included within the application form. Data you provide on the Equal Opportunities Monitoring Form will be included in a general database, for statistical monitoring purposes, enabling the University to monitor the effectiveness of its Policy, Codes of Practice and Guidelines on Equal Opportunities in Employment. Individuals will not be identified by name.

Data Protection

Your personal data will be processed in compliance with the Data Protection Act 2018 and the General Data Protection Regulation ((EU) 2016/679) ("GDPR"). The University's Data Protection Policy and Privacy Notices, including the Job Applicant Privacy Notice can be found at <https://www2.aston.ac.uk/data-protection>. Your application will only be used to inform the selection process, unless you are successful, in which case it will form the basis of your personal record with the University which will be stored in manual and/or electronic files. Information in statistical form on present and former employees is given to appropriate outside bodies.

Full details of our terms and conditions of service and associated policies and procedures are available online at <https://www2.aston.ac.uk/staff-public/hr/policies>
